## GRANT-FUNDED PROJECTS

---

### Mixture Modeling For Discipline-Based Education Researchers

- PIs: Prof. Karen Nylund-Gibson (UC Santa Barbara) & Prof. Marsha Ing (UC Riverside)
- Funded by National Science Foundation (NSF #2216175)
- Role: Research Assistant, Apr 2025 – Jun 2025
  - Held office hours to support STEM education researchers applying mixture modeling in their work
  - Analyzed data and developed instructional materials for teaching mixture modeling
  - Co-authored a comparative analysis of K-means and mixture modeling, published in Chemistry Education Research and Practice

### Counterspeech as Response to Online Hate

- PI: Prof. Joseph B. Walther (UC Santa Barbara)
- Funded by the California Civil Rights Department
- Role: Research Assistant, Aug 2024 – Mar 2025
  - Conducted literature review and authored a review paper on counterspeech as a deterrent to online hate
  - Designed and executed a field experiment testing counterspeech effectiveness
  - Contributed to a government report and subsequent academic manuscripts

## FELLOWSHIP

---

### Doctoral Student Travel Grant

Organization: Academic Senate, University of California, Santa Barbara

Date awarded: April 2026

Amount: \$900

### **Graduate School Travel Fund**

Organization: Graduate School, Michigan State University

Date awarded: June 2023

Amount: \$600

### **Graduate Office Fellowship**

Organization: College of Communication Arts and Sciences, Michigan State University

Date awarded: February 2023

Amount: \$1,500

Date awarded: September 2022

Amount: \$1,300

Date awarded: February 2022

Amount: \$3,200

- Instructor: Dr. Sixian Lin (Fall 2019)

**GUEST LECTURES**

---

**University of California, Santa Barbara**

COMM160OH Online Hate Speech (Winter 2024)

Computational Approaches in Online Hate Research

**Michigan State University**

MI220 Methods for Understanding Users (Summer 2023/2024/2025)

Understanding Surveys in User Research

**MENTORING**

---

**Research Assistants Advising**

***University of California, Santa Barbara***

COMM199RA: Independent Research Assistants in Communication

(Spring 2024, Fall 2024, Spring 2026)

- Mentored 30 undergraduate research assistants across multiple research projects
- Led weekly research meetings to coordinate tasks and ensure project progress
- Provided hands-on training in a range of research skills, including literature reviews, experimental design, and data analysis
- Offered individualized feedback and support on graduate school applications

**Recommendation Letter Writer**

***University of California, Santa Barbara***

Sasha von Ende (Undergraduate research assistant; law school application)

Thien Thanh Vo (Undergraduate student; job application)

Sophia Fei (Undergraduate student; graduate school application)
